

Ansell

POWERED TO PROTECT

DEALERSHIP SERVICE

Ansell's wide range of gloves are uniquely designed to protect your technicians hands. Power your technicians with the right level of protection for the demanding jobs they do everyday. Less injuries = higher productivity. These gloves provide comfort, dexterity and durability, perfect for working on engines, brakes and tires.

HyFlex® 11-939R

High-Tech Mechanic Glove

- Lined with Dyneema® Diamond Technology providing cut & abrasion resistance
- Fully-coated for oil repellency
- Silicone & latex-free

Reinforced gusset between thumb and index finger

HyFlex® 11-727R

Medium-Duty Mechanic Glove

- Enables wet, dry and light oil grip with dirt-masking palm coating
- Offers excellent abrasion resistance and durability
- Provides dexterity for small parts and precision handling

ActivArm® 97-003

Heavy-Duty Mechanic Glove

- Provides cut protection & heat resistance with DuPont™ Kevlar® yarns
- Reduces impacts and vibrations
- Enables advanced grip in wet or dry conditions

The MICROFLEX® single use gloves are created to provide great protection and comfort when working with oils and other chemicals. The thickness, texture and design of these gloves ensure durability and grip for all day efficiency.

MICROFLEX®
