

ANSELL STANDS OUT AS A PARTICIPANT IN THE FIRST SCIENTIFIC AND CULTURAL NURSING MEETING OF THE MORELENSE ASSOCIATION OF CRITICAL CARE NURSES.

February 2024. Last February, the first “Encuentro Científico y Cultural de Enfermería” (Scientific and Cultural Nursing Meeting) was held, organized by the “Asociación Morelense de Enfermería Especializada en Cuidados Críticos”, whose objective was to publicize the activities carried out in the health area to present the innovations in technology and improve patient care, in which Ansell had a valuable participation to present its different types of medical gloves.

At the meeting, Ansell stood out for being a company committed to the modernization of medical and health equipment by showing high quality gloves and technology for general surgery, specialty gloves, as well as its hypoallergenic gloves.

About Ansell

Ansell (ASX: ANN) is a global leader in safety solutions and an integrated manufacturer of personal protective equipment for healthcare and industrial workplaces. Every day, more than 10 million workers in over 100 countries trust their safety to Ansell brands such as HyFlex®, RINGERS®, MICROFLEX®, TouchNTuff®, GAMMEX® and AlphaTec®. Driven by a vision to lead the world toward a safer future, the company continually seeks innovations in products and services that predict, prevent, and protect against workplace hazards while promoting sustainable sourcing and manufacturing.
