Concerns: REACH declarations

Ansell is fully committed to its obligations pursuant to the European REACH Regulation (EC) No. 1907/2006 and its amendments, concerning the Registration, Evaluation, Authorisation and restrictions of Chemicals.

All Ansell currently produced products comply with the requirements of Annex XVII (including relevant amendments) related to the *'restriction on the manufacture, placing on the market and use of certain dangerous substances, preparations and articles'*.

With respect to the Candidate list of "Substances of very high concern (SVHC) for Authorization", published by the European Chemical Agency (ECHA) and last amended on November 7th, 2024, and as required by Article 33 of the REACH Regulation, we confirm that **none** of our products currently imported in the EU-EMEA markets contain SVHC substances in excess of 0.1 % weight by weight.
