

SANDEL® CHANGE-A-BLADE™

SHARPS SAFETY

A safety scalpel handle that provides the flexibility of unlimited blade changes and surgeon's choice of blade

Designed for surgeon acceptance, Change-A-Blade is a disposable safety scalpel handle that provides the same weight, feel, visibility and puncture-ability as a traditional scalpel handle.

Change-A-Blade features a built-in safety sheath that covers the scalpel blade during passing to protect healthcare workers from sharps injuries.

KEY FEATURES & BENEFITS

- Allows for multiple blade changes during the same procedure
- Compatible with any manufacturer's stainless steel or carbon blades
- Weighted to the feel of a conventional scalpel handle
- Can be used by right or left-handed surgeons
- Available in multiple handle sizes and accommodates several standard blade sizes
- Includes a removable TIME OUT® Sleeve
- Disposable

SANDEL® Anticipate the Unexpected

Developed in collaboration with clinical professionals, SANDEL products are designed to address key high-risk areas in the healthcare environment. Our signature bright orange products help reduce the risk of preventable injuries, errors and infections. SANDEL products equip caregivers with solutions to do their job safely while improving patient outcomes.
