

# VIKING

## VIKING HOT WATER SUIT (HWS)

Hot Water Suit for saturation diving, offshore and military diving

**Designed for offshore saturation diving and for commercial and military divers where extended diving periods are required.**

## Industries

- Military
- Commercial Diving

## Applications

- Nuclear pond inspection
- Cleaning ship Hulls
- Clearing a fouled propeller
- Welding and Inspection

## KEY FEATURES & BENEFITS

- Designed principally for offshore saturation diving, but is also widely used by commercial divers and military divers where extended diving periods are required
- A constant supply of hot water inside the suit keeps the diver comfortable throughout the dive
- Flexible material and pattern layout
- Abrasion resistant RO-TEX nylon exterior for durability
- PU coating for ease of cleaning
- Seams are sealed with glue for added protection
- PU reinforcements on knees and elbows
- Unique "click" function valve with 3 flow settings and dump mode, for increased diver comfort

## Performance Standards
