

Previously known as: Neo Green 395

## Natural rubber gloves delivering extra comfort and all-round personal protection

- **Advanced defenses:** AlphaTec® 87-395 hand protection gloves feature a unique 0.5 mm/20 mil, neoprene and natural rubber latex blend, which provides excellent chemical, snag, puncture and abrasion resistance
- **Elevated comfort:** Thanks to their 100% cotton flock lining, these medium-duty work gloves grant extra comfort
- **Heightened protection:** To ensure water repellence, these industrial gloves are treated with special wax
- **Reduced risks:** AlphaTec® 87-395 safety gloves are also chlorinated to reduce the risk of allergic reactions
- **Food handling compliance:** In addition, these food handling gloves meet FDA food handling requirements (21 CFR 177.2600)

### Industries

- Food Processing
- Chemical
- Agriculture
- Janitorial / Sanitation

### Applications

- All food processing applications that have food contact
