

Cut

Medium Duty

Safety gloves with an advanced tread system for superior grip in multiple conditions

- **Advanced grip:** Designed with MadGrip Injection Technology™, ActivArm® 97-310 high-dexterity work gloves allow for variable reinforcement in critical abrasion areas, while offering ultradry grip to avoid hand fatigue and injury due to slippage, and intentional finger patterns to maximize grip in wet or oily conditions
- **Reinforced protection:** These protective gloves provide additional safety using seamless cushioning on the palm and knuckles to prevent blisters and hand fatigue, as well as back-of-hand protection to avoid injury to the knuckle area
- **Increased comfort:** In addition to ensuring abrasion resistance, ActivArm® 97-310 industrial gloves grant superb comfort and tactility, owing to their seamless and breathable design

Industries

- Mining
- Oil and gas

Applications

- General handling
- Construction
- Equipment repair & maintenance
- Warehouse and logistics operations
- Heavy machine operation
- Scaffolding
- Product inspection
- Conveyer and longwall maintenance
- Handling of tools

Key Features

- **MadGrip Injection Technology™:** For durable and tactile work gloves
- **Palm and knuckle protection:** Enhanced safety to minimize injury risks
- **Seamless and breathable design:** Optimal hand protection and comfort

Performance Standards & Regulatory Compliance
