

## Flocked-lined natural rubber gloves, combining comfort, flexibility and food compliance

- **Increased protection and convenience:** Flock-lined and lightweight, AlphaTec® 87-320 rubber work gloves come with beaded cuffs, which ensure tear resistance and easy donning and doffing
- **Food handling compliance:** Featuring an AQL of 1.5, these orange food handling gloves are suitable for a wide range of food applications
- **Enhanced durability:** AlphaTec® 87-320 hand protection gloves are also abrasion-resistant, lending themselves to low-hazard tasks
- **Increased comfort:** Owing to their 100% cotton flock lining, these flexible work gloves are comfortable and offer wearers the required flexibility for light-duty tasks

### Industries

- Food Processing
- Chemical
- Agriculture

### Applications

- All food processing applications that have food contact
- Fruit and Vegetable Processing
- Laboratory maintenance and clean up
- Janitorial use

# AlphaTec®
