

R-136

Tactile and secure cuff increased visibility automotive glove.

Multi Purpose

Light Duty

Increased visibility automotive gloves, combining dexterous hand protection and touchscreen compatibility

- **Elevated comfort:** RINGERS® R136 Turbo Plus auto aftermarket gloves boast a soft, durable and lightweight mesh fabric around the top of the hand, for exceptionally comfortable, flexible personal protection
- **Improved durability and grip:** With a premium synthetic split leather palm, these work gloves also deliver a superb balance of grip and durability
- **Enhanced features:** In addition, RINGERS® R136 Turbo Plus safety gloves feature a wraparound index finger design resistant to wear and tear, as well as a hook and pull TPR pull tab wrist closure and touchscreen-compatible thumb tips, index and middle fingers
- **Increased safety:** Reflective markings, coupled with an increased visibility mesh external surface, ensure they are noticeable, preventing possible workplace injuries
