

Sensilite®

48-100

Designed for light applications that require good levels of comfort and abrasion resistance

Multi Purpose

Light Duty

White multi-purpose polyurethane gloves, designed with comfortable light duty handling in mind

- **Improved durability:** HyFlex® 48-100 industrial work gloves feature ANSI/ISEA and EN compliant abrasion resistance levels
- **Augmented dexterity:** Their thin, flexible nylon liner makes for dexterous, strain-free everyday use
- **White color:** The lighter tone of these HyFlex® gloves ensures process quality and helps avoid cross contamination
- **Optimized tactility:** HyFlex® 48-100 PPE gloves' palm-dipped PU coating results in high levels of tactile sensitivity, for precision handling in dry or slightly oily conditions
- **Genuine versatility:** Light, resilient and tactile, HyFlex® 48-100 industrial gloves are used for a multitude of diverse applications

Industries

- Automotive
- Machinery and Equipment

Applications

- Chassis assembly, body trimming
- Production line support & maintenance
- Equipment repair & maintenance
- Assembly and disassembly of equipment
- Loading and unloading rough parts or boxes
- Picking parts and accessories

Sensilite®
