

Cold

Heavy Duty

Versatile, heavy-duty work gloves, ensuring warm, dry hand protection in cold conditions

- **Enhanced durability:** ActivArm[®] 23-191 durable work gloves are not only cut out for extended wear in abrasive conditions, but are ideal for wet and oily low-temperature environments, with optimal grip performance for heavy-duty handling
- **Increased comfort:** These PVC-coated insulated work gloves also provide warm, dry comfort, thanks to their foam insulation
- **Optimized agility:** Anatomically designed for challenging tasks, ActivArm[®] 23-191 safety gloves ensure a particularly secure fit around the fingers, enabling ease of movement and preventing hand fatigue
- **Certified cold resistance:** These heavy-duty work gloves also satisfy EN 511-111 cold contact standards, for reliable hand protection at low temperatures

Industries

- Metal fabrication

Applications

- Handling materials with sharp or rough edges
- Fabricating metal parts, glass sheets
- Production line support & maintenance
- Equipment repair & maintenance
- Assembly and disassembly of equipment

Key Features

- **PVC coating:** Protecting hands from abrasion, water, oil and grease
- **Foam insulation:** For breathable work gloves ensuring warm, dry hands
- **Curved fingers, wing thumb and jersey cotton liner:** Greater dexterity
