

Cut

Heavy Duty

## Robust latex-coated gloves combining mechanical performance with superior wet and dry grip

- **Increased durability:** Owing to their crinkled finish latex coating, EDGE<sup>®</sup> 16-347 safety gloves last longer, possess abrasion, cut and tear resistance capabilities, and boast high grip performance whether on wet or dry surfaces
- **Heightened comfort:** To ensure all-day comfort, these hand protection gloves are made with soft jersey knit liner, making them at once comfortable, flexible and durable
- **Added protection:** EDGE<sup>®</sup> 16-347 heavy-duty gloves feature safety cuffs that extend protection to the lower arms and wrists
- **Food handling compliance:** Composed of FDA-compliant materials, these economical food safe gloves are also safe for use with food and food packaging

### Industries

- Construction
- Utilities
- Logistics
- Transportation

### Applications

- Handling materials with sharp or rough edges
- General handling
- Shipping
- Receiving

### Key Features

- **Crinkled finish:** Strong grip for safe handling in slippery situations
- **Soft jersey knit liner:** Breathable comfort, optimal flexibility
- **Safety cuff:** For work gloves ensuring lower arm and wrist protection

### Performance Standards & Regulatory Compliance

ANSI/ISEA 105-2024

EN388: 2016

X141B
