

## Heavy-duty, natural rubber-coated interlock liner, offering excellent wet and dry grip

- **Reinforced grip:** The multipurpose EDGE<sup>®</sup> 16-500 safety gloves feature a crinkled finish that provides an excellent grip in wet and dry conditions, affording secure handling and improving workplace safety
- **Increased comfort:** Shaped to natural hand contours and designed to provide support and cushioning, these versatile protective gloves guarantee greater comfort
- **Safety compliance:** EDGE<sup>®</sup> 16-500 CE-certified gloves comply with high safety, health and environmental protection requirements, and are ideal for the construction, glass manufacturing, recycling and waste disposal industries

### Industries

- Construction
- Glass manufacturing
- Recycling and Waste Disposal

### Applications

- Maintenance
- Handling dry, wet or oily large objects
- Trash collecting

Previously known as: Gladiator<sup>®</sup> 16-500

### Key Features

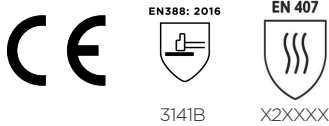

- **Crinkled finish:** Gloves with grip optimized for wet and dry surfaces
- **Anatomical design:** For ergonomic gloves that provide optimal comfort
- **CE certification:** High-quality work gloves with mechanical protection

### Vulcanization Chemical Accelerators

- Natural rubber proteins
- Zinc Diethyldithiocarbamate

Only a very small number of users may be sensitive to this ingredient(s) and hence may develop irritant and/or allergic contact reactions.
