

48-101

Designed for light applications that require good levels of comfort and abrasion resistance

Previously known as: Sensilite[®]

Black PU-coated multi-purpose gloves, designed for comfortable light-duty handling

- Improved durability: HyFlex[®] 48-101 industrial gloves feature ANSI/ISEA and EN certified abrasion resistance for longer-lasting wear
- Augmented dexterity: Their thin, flexible nylon liner ensures optimal dexterity, for ease of use in daily applications
- Black color: The darker shade of these HyFlex[®] gloves masks dirt, for extended glove life
- Optimized tactility: Equipped with thin palmdipped polyurethane coating, HyFlex[®] 48-101 safety gloves benefit from excellent tactile sensitivity, for precise handling in dry or slightly oily environments
- Genuine versatility: Lightweight, durable and tactile, these HyFlex[®] gloves can be used for a variety of different applications

Industries

- Automotive
- Machinery and Equipment

Applications

- Chassis assembly, body trimming
- Production line support & maintenance
- Equipment repair & maintenance
- Assembly and disassembly of equipment
- Loading and unloading rough parts or boxes
- Picking parts and accessories

48-101

Designed for light applications that require good levels of comfort and abrasion resistance

Previously known as: Sensilite[®]
