## Premium leather work gloves with TPR impact protection, delivering advanced hand safety

- **Specialized protection:** RINGERS® R665 safety gloves have been developed with F3 Technology™ and TPR impact protection at the knuckles, thumb and the full length of the fingers, for comprehensive personal protection
- **Augmented dexterity:** These impact gloves are made from premium grain goatskin leather, ensuring comfort and dexterity, while protecting against impact hazards and cuts
- **Advanced defenses:** These RINGERS® gloves feature an additional palm layer, for truly advanced cut protection that meets EN 388 level E and ANSI/ISEA level A5 cut resistance standards
- **Enhanced features:** Reinforced seams on the index finger and base of the thumb grant these impact gloves greater durability, while a hook and loop TPR pull tab wrist closure ensures a secure cuff

### Industries

- Manufacturing
- Oil and gas
- Machinery and Equipment
- Utilities

### Applications

- Preparation of site - unloading of lines and valves
- Handling iron
- Handling of tools
- Operating of heavy machinery
- Equipment maintenance and repair
- Pipe handling
- Handling materials with sharp or rough edges
- Loading raw material
