

## R840

The lightest, most comfortable impact glove for warehousing and logistics.

Impact

Light Duty

## Light-duty knit gloves with nitrile-coated palms and TPR impact protection.

- **Advanced impact technology:** RINGERS® R840 light-duty impact-resistant gloves feature a low profile level 1 TPR (Thermoplastic Rubber) impact technology providing optimal protection to the knuckles, thumb and full length of fingers
- **Heightened grip:** These protective gloves offer dipped nitrile palm coating for two times more grip than the previous technology
- **Improved durability:** By combining Thumb Crotch Reinforcement (TCR) with improved FORTIX™ Technology, RINGERS® R840 hand protection gloves provide excellent abrasion resistance for longer-lasting wear
- **Enhanced ergonomics:** In addition, these ergonomic work gloves leverage ERGOFORM™ Technology to reduce stress on hands, ensuring a fit shaped to natural hand contours that maximizes the range of motion and improving performance
- **Elevated comfort:** For optimal comfort, these durable work gloves utilize ZONZ™ Comfort Fit Technology to optimize the knitting in selected zones of the 15-gauge nylon and spandex blend liner, improving support, breathability and range of movement
- **Guaranteed skin-friendliness and cleanliness:** RINGERS® R840 gloves benefit from Dermatest® certification and an impurity-extracting proprietary washing process

### Industries

- Warehousing
- Logistics
- Automotive
- Manufacturing
- Construction
- Food Processing
- Oil and gas
- Utilities

### Applications

- General handling
- Packaging
- Picking parts and accessories
- Driving fork lifts and vehicles
- Assembly of small parts
- Compatible with consumer and industrial touchscreens

# R840

The lightest, most comfortable impact glove for warehousing and logistics.

## Key Features

- **Thermoplastic rubber (TPR):** Low profile impact protection
- **FORTIX™ abrasion resistance:** Up to 20% more durability
- **ERGOFORM™ Ergonomic Design:** Reduced strain, better ergonomics

## Technologies

 **ANSELL GRIP™**  
Ansell Grip Technology

 **ERGOFORM™**
