

37-520

High comfort combined with good chemical and mechanical protection

Previously known as: VersaTouch® 37-520

# Durable light blue mediumduty nitrile gloves, for assured chemical-resistant food handling

- Reduced contamination risks: AlphaTec<sup>®</sup> 37-520 chemical-resistant food handling gloves feature a chlorinated treatment, lessening the risk of product contamination when handling
- Elevated comfort: Thanks to their cotton flocking, these protective gloves are better at absorbing moisture and perspiration, offering enhanced comfort while facilitating donning and doffing
- Enhanced grip: AlphaTec® 37-520 safety gloves also feature a raised grip surface pattern, improving grip levels, for safer handling
- Specialized protection: In addition, these nitrile gloves guard against potentially hazardous solvents and oil-based chemicals
