

Oil

Medium Duty

Abrasion- and oil-resistant, nitrile-coated work gloves with excellent grip and dexterity

- **Reinforced protection:** EDGE[®] 40-157 safety gloves possess a robust and porous nitrile coating that protects against abrasion and oils, ensuring that they last longer than split leather
- **Added comfort:** To ensure a high level of comfort, EDGE[®] 40-157 hand protection gloves are designed with a cut and sewn interlock cotton liner that feels soft and gentle against the skin, absorbing perspiration to keep hands dry
- **Improved ergonomics:** As these ergonomic gloves are shaped to the contours of the hand, they ensure greater flexibility and dexterity for extended use
- **Food handling compliance:** Composed of FDA-compliant materials, these food handling gloves are suitable for food packaging

Applications

- Assembling metal parts and components
- Grinding
- Maintenance
- Operating of heavy machinery
- Shipping and loading of product

Key Features

- **Nitrile coating:** For protective gloves with added grip and durability
- **Interlock cotton liner:** Assured breathability and long-lasting comfort
- **Ergonomic design:** Increased dexterity, tactility and productivity

Performance Standards & Regulatory Compliance
