

## 76-200

Soft and comfortable seamless glove  
for longer and more comfortable wear

Previously known as: Stringknits™76-200

Multi Purpose

Light Duty

## Multipurpose, stretchable industrial gloves ensuring comfort for lightweight applications

- **Optimized flexibility:** Seamless by design and stretchable by nature, EDGE® 76-200 string-knit work gloves grant optimal flexibility for precise control, while reducing hand fatigue to ensure all-day usability
- **Elevated comfort:** As these latex- and silicone-free nylon work gloves are soft, lightweight and breathable, they may be comfortably worn alone or as glove liners
- **Increased versatility:** EDGE® 76-200 safety gloves offer better value and added protection as they can be conveniently worn on either hand, saving costs and time

### Industries

- Automotive
- Automotive Aftermarket
- Machinery and Equipment
