

23-201

Mediumweight PVC supported glove with cotton knitted liner & sleeve

Previously known as: VersaTouch® 23-201

Long-sleeve PVC-coated gloves, ensuring comfort and dexterity even in cold conditions

- Augmented dexterity: AlphaTec[®] 23-201 protective gloves' soft PVC coating ensures high levels of dexterity and pliability, even at low temperatures
- Strengthened grip: Their dipped sandblast finish gives them a rough surface, ensuring excellent grip in wet conditions
- Elevated comfort: Thanks to a 13-gauge knit cotton liner, these PVC-coated gloves also grant wearers high levels of comfort
- Enhanced features: Their heat-sealed extended sleeve guards against dust, resists liquids and ensures additional wrist protection
- Food handling compliance: AlphaTec[®] 23-201 industrial gloves also adhere to relevant FDA and EU food handling requirements, making them suitable for varied food processing applications

Industries

- Automotive
- Food Processing
- Oil and gas
- Chemical
- Janitorial / Sanitation

Applications

- All food processing applications that have food contact
- Seafood processing
- Cold Storage
- Chemical processing and preparation
- Janitorial use
- Preparation of site unloading of lines and valves

23-201

Mediumweight PVC supported glove with cotton knitted liner & sleeve

Previously known as: VersaTouch® 23-201

Key Features
