EDGE®
INDUSTRIAL WORK GLOVES

76100

Light, stretchy gloves available in various materials and finishes

Previously known as: Stringknits™76-100

Multi Purpose | LD Light Duty

Stretchable, light-duty safety gloves offering breathable comfort and optimal flexibility

- **Enhanced flexibility:** Thanks to their seamless structure and stretchable fit, EDGE® 76-100 string-knit work gloves allow good air flow to the hand and superior flexibility, ensuring longer, more comfortable wear
- **Heightened comfort:** These safety work gloves possess a cotton liner that not only affords softness, but also absorbs perspiration, and can be worn on their own or as glove liners
- **Genuine versatility:** For increased affordability and convenience, EDGE® 76-100 high-quality work gloves are ambidextrous, fitting either hand and eliminating the need to pair
- **Maximized value:** Machine washable at 40˚C without shrinking, stiffening or losing their shape, these breathable work gloves deftly withstand repeated laundering and are more hygienic

Industries

- Automotive
- Automotive Aftermarket
- Machinery and Equipment
- Recycling and Waste Disposal
- Transportation

Applications

- Delivery of parts to production line
- Delivery of vehicles to expedition area
- Loading and unloading rough parts or boxes

EDGE®
INDUSTRIAL WORK GLOVES

76100

Light, stretchy gloves available in various materials and finishes

Previously known as: Stringknits™76-100
