

Black arm protection sleeves that combine cut protection with unrivaled comfort

- Heightened defenses: HyFlex[®] 11-250 arm protection sleeves' INTERCEPT[™] Cut Resistance Technology delivers ANSI A3 and EN ISO B cut protection
- Elevated comfort: Their seamless HPPE yarn offers users a cool, breathable feel, while their bicep cuff keeps them securely in place
- Reduced contaminant risks: The risk of contaminant transfer to metal before painting is reduced, as they are silicone-free
- Added practicality: The HyFlex[®] 11-250's overedges come in red, black or light blue, for narrow, wide or extra-wide
- Food handling compliance: HyFlex[®] 11-250 sleeves comply with FDA food handling regulations 21 CFR 177.1520 and 21 CFR 177.2600
- Certified harm-free: Oeko-Tex[®] certification indicates they are free of substances harmful to human health

Industries

- Automotive
- Automotive Aftermarket
- Machinery and Equipment
- Metal fabrication

Applications

- Press shop operations
- Handling metal sheets & panels
- Handling parts with sharp, rough edges
- Handling structural and body components
- Inspection, selecting, checking parts
- Glass repair and replacement
- Seizing structural and body parts
- Body Surface checking, marking and touching up
- Adjusting systems and screwing
- Adjusting panels parts components

11-250 The most comfortable sleeve with Intercept technology

Key Features

- INTERCEPT™ Cut Resistance: ANSI A3 and EN ISO B cut protection
- HPPE yarn: Arm protection sleeves that ensure a cool, breathable feel
- **Silicone-free:** Avoiding contaminant transfer to metal prior to painting

Performance Standards & Regulatory Compliance
