

Previously known as: PolarBear®74-048

Cut

Medium Duty

## Heavyweight, cut-resistant safety gloves ensuring excellent personal protection

- **Heightened protection:** HyFlex® 74-048 lightweight, safety gloves deliver excellent, ANSI Level 6 cut resistance
- **Increased durability and comfort:** Combining a comfortable fit and reliable protection, these protective gloves incorporate the Tuff-Cuff™, anti-shrink cuff construction
- **Food handling compliance:** Available in both white and grey, these gloves for handling food grant superior protection and dexterity in food processing applications
- **Added defenses:** As they ensure optimal hand protection, these gloves for food processing are suitable for most knife-hand as well as some offhand applications, and can be used as glove liners
