

48-203

Heavy Duty Impact Protection Industrial Gloves

Impact gloves designed for demanding extraction jobs in oil, gas and mining industries

- Improved durability: EDGE® 48-203 heavy-duty impact-resistant gloves feature reinforcement patches in between the thumb crotch and fingertip area, which improve the longevity of the most valuable areas
- Reduced risks: Thanks to their back-of-hand vinyl TPR bumpers, these protective gloves significantly reduce the risk of crush, pinch and impact injuries
- Enhanced grip: In addition, EDGE[®] 48-203 gloves with grip have a PVC-dotted palm that provides excellent protection against impact hazards and an enhanced grip that resists oil, making it ideal for the oil and gas industry
- Increased visibility: These hand protection gloves come in bright yellow, which increases visibility and enhances safety in dark environments

Industries

- Oil and gas
- Machinery and Equipment
- Mining
- Construction

Applications

- Drilling / Extraction
- Garbage collection & sorting
- Infrastructure
- Production Services / Processing
- Transport & Logistics
- Heavy Equipment Servicing

48-203

Heavy Duty Impact Protection Industrial Gloves

Key Features

- Reinforcement patches: Long-lasting and durable work gloves
- Back-of-hand vinyl TPR bumpers: Lower risk of workplace injuries
- Superb grip performance: Safer handling in dry, wet or oily condition

Performance Standards & Regulatory Compliance
