

11-618

Palm coated glove for lightweight applications in dry and slightly oily environments

Ultra-thin polyurethane gloves, with superb tactility and dexterity, for delicate handling

- Enhanced dexterity: HyFlex[®] 11-618 multipurpose gloves' light 18-gauge liner grants them excellent dexterity, for ease of use and minimal strain
- Optimized tactility: These HyFlex[®] gloves' extra thin PU coating delivers optimal tactile sensitivity and a "second skin" feel, ideal for delicate handling
- Improved durability: Beyond tactility, their PU coating ensures ANSI/EN-compliant abrasion resistance
- Considered aesthetics: HyFlex[®] 11-618 safety gloves' dark nylon liner masks dirt and stains, for long-lasting wear
- Certified skin-friendliness: Dermatest[®] certification makes for dermatologically friendly personal protection
