

R-297

Heavy-duty impact protection gloves, ensuring hand safety with added cut resistance

Impact Liquid Spray and Splash

Heavy Duty

Heavy-duty impact protection gloves, ensuring hand safety with added cut resistance

- **Specialized protection:** RINGERS® R297 heavy-duty impact gloves are developed with innovative RINGERS® F3 Technology™ and a patented TPR (thermoplastic rubber) design, delivering superior impact protection for the knuckles, thumb and full length of the fingers
- **Added defenses:** With a padded palm and a Kevlar®-stitched liner, these safety gloves provide abrasion and cut resistance, granting users dependable hand protection for heavy-duty applications
- **Strengthened grip:** Thanks to a durable grip system on the palm and fingers, they also deliver excellent grip
- **Enhanced features:** These RINGERS® gloves feature an extended airprene wrist closure with a practical TPR pull tab, as well as an increased visibility external surface, which helps improve workplace safety

Industries

- Manufacturing
- Oil and gas
- Construction
- Emergency Medical Services
- Utilities

Applications

- Engagement and release of drill string slips
- Chaining up pipes
- Installation and dismantling of rigs
- Preparation of site - unloading of lines and valves
- Handling iron
- Handling of tools
- Seizing structural and body parts
- Unloading worked parts

R-297

Heavy-duty impact protection gloves, ensuring hand safety with added cut resistance

Key Features

- **Patented TPR design:** Knuckles, thumb and finger-length impact protection
- **Padded palm with Kevlar® liner:** For durable, cut-resistant gloves
- **Durable grip system on palm and fingers:** Enhanced grip performance
