

Previously known as: VersaTouch® 88-350

## Reusable natural latex rubber gloves, featuring premium silver lining for easy donning

- **Assured convenience:** AlphaTec® 88-350 light-duty chemical gloves are made from natural latex rubber, granting them excellent tensile strength, while premium silver lining greatly facilitates donning and doffing
- **Food handling compliance:** Thin and reusable, these FDA-approved food handling gloves (21 CFR 177.2600) are suitable for food processing and varied service industries
- **Optimized cleanliness:** Chlorination treatment maximizes their cleanliness while minimizing potential allergy risks
- **Enhanced grip:** Thanks to their pebble sandpatch pattern, these rubber work gloves also ensure a firm grip over wet and dry objects

### Industries

- Food Processing
- Chemical
- Agriculture

### Applications

- Food processing and meat packing applications
- Fruit and Vegetable Processing
- Laboratory maintenance and clean up
- Janitorial use
