

# HyFlex™

## 11-917

High flexibility and dexterity for an optimum comfort in use

Oil

Light Duty

## Highly durable oil-repellent gloves, protecting hands with dexterous comfort

- **Specialized protection:** HyFlex™ 11-917 light-duty industrial gloves feature dipped nitrile coating, guarding against liquid, oil, grease and dirt
- **Improved durability:** Their nitrile coating also ensures durability and longer wear life, satisfying advanced EN-compliant abrasion resistance standards
- **Elevated comfort:** A seamless nylon liner helps ensure these liquid-repellent safety gloves are both dexterous and comfortable
- **Food handling compliance:** These HyFlex™ gloves are also suitable for various food processing applications
- **Minimized health risks:** They are DMF-free and certified by Oeko-Tex™ as free of substances harmful to human health

### Industries

- Agriculture
- Automotive
- Construction
- Food Processing

### Applications

- Preparation of site - unloading of lines and valves
- Quality control
- Maintenance
- Metal Fabrication
- Assembly of white goods
