

Durable, comfortable protective apron with sleeves, offering multi-layered chemical resistance.

- **Specialized protection:** This AlphaTec® chemical-resistant apron is designed with a multi-layer construction and long sleeves, for comprehensive personal protection against numerous inorganic chemicals and biological hazards
- **Increased visibility:** Its bright yellow color ensures it remains highly noticeable, for improved workplace safety
- **Enhanced comfort:** As it is made from lightweight material, the AlphaTec® 3000 Apron with Sleeves Ultrasonically Welded - Model 214 also remains comfortable and easy to use
- **Improved durability:** This chemical-protective apron's multi-layer fabric construction grants it greater durability, for longer-lasting wear

## Industries

- Chemical
- Mining
- Oil and gas
- Life Sciences
- Food Processing
- Automotive Aftermarket
- Utilities

## Applications

- Transferring liquids and solids between vessels and tanks and process equipment
- Unexpected leakages spills or other releases
- Opening and draining pumps valves or lines
- Loading and unloading of trucs and vehicles
- Filling, blending and charging of raw materials
- Product inspection
- Mixing or loading chemicals
- Cleaning of plant and machines

## KEY FEATURES & BENEFITS

- **Protective multi-layer barrier:** Protection from various chemicals
- **Highly visible yellow color:** Greater noticeability, greater workplace safety
- **Durable, lightweight construction:** Robustness, comfort and ease of use
