

47-200

Coated glove on fingers and palm with high breathability

Previously known as: Easy Flex® 47-200

Nitrile-coated work gloves with excellent grip, offering a more durable alternative to cotton

- Assured protection: ActivArmr® 47-200 lightweight nitrile-coated gloves provide greater abrasion resistance* and hand protection against snags, punctures and cuts than standard 8oz/227g cotton or string-knit alternatives
- Elevated comfort: These ActivArmr[®] gloves boast a flexible ergonomic design, with grip-enhancing nitrile coating on the fingers and palm, leaving the back of the hand with a cooler, more breathable feel
- Food handling compliance: Perfect for handling greasy or oily foodstuffs, ActivArmr[®] 47-200 protective gloves satisfy relevant FDA food handling requirements

*they last 5x longer than standard cotton alternatives

Industries

- Automotive
- Automotive Aftermarket
- Machinery and Equipment
- Metal fabrication
- Chemical

Applications

- Assembly & inspection of components
- Adjusting parts, systems
- Engine transmission and repair
- Assembling and mounting components
- Delivery of parts to production line
- Delivery of finished equipment
- Warehousing of raw materials
- Loading and unloading trucks and vehicles
- Loading and unloading of proces equipment

47-200

Coated glove on fingers and palm with high breathability

Previously known as: Easy Flex® 47-200
