

Durable, comfortable protective apron, offering a multi-layer barrier against numerous chemicals.

- **Specialized protection:** This AlphaTec[®] chemical-protective apron features a multi-layer fabric that protects against various inorganic chemicals and biological hazards
- **Increased visibility:** Thanks to its bright yellow color, it ensures highly noticeable personal protection, enhancing workplace safety and safeguarding worker welfare
- **Enhanced comfort:** An extremely light protective apron, the AlphaTec[®] 3000 Apron - Model 213 remains highly comfortable, even with extended wear
- **Improved durability:** Its multi-layer fabric construction also means this chemical-resistant apron withstands wear and tear

Industries

- Chemical
- Mining
- Oil and gas
- Life Sciences
- Food Processing
- Automotive Aftermarket
- Utilities

Applications

- Unexpected leakages spills or other releases
- Loading and unloading trucks and vehicles
- Product inspection
- Cleaning of plant and machines
