

Safety cape with hood visor, offering innovative multi-layer chemical barrier technology.

- **Heightened defenses:** AlphaTec® 4000 Cape with Hood Visor Ultrasonically Welded & Taped - Model 516 provides exceptional personal protection, with more than 200 chemicals permeation tested, including chemical warfare agents
- **Enhanced protection:** A lightweight and robust head covering, these green chemical protective garments are made of a unique multi-layer barrier fabric, affording chemical resistance
- **Reduced contamination risks:** Thanks to its silicone-free composition, AlphaTec® 4000 Cape with Hood Visor Ultrasonically Welded & Taped - Model 516 presents a lower risk of contamination

Industries

- Chemical
- Life Sciences
- Mining
- Fire and Rescue
- Oil and gas
- Automotive Aftermarket
- Food Processing

Applications

- Contaminated Environments
- Chemical Handling
- Filling, blending and charging of raw materials
- Transferring liquids and solids
- Opening and draining pumps valves or lines
- Loading and unloading of proces equipment
- Raw material sample collection
- Concentration mixing and palletisation
- Hazmat response
- Assembly and disassembly of equipment

KEY FEATURES & BENEFITS

- **Superb protection:** Over 200 chemicals permeation tested
- **Designed to protect:** Lightweight and durable materials
- **Silicone-free:** Protective garment to minimize contamination risks
