

Impact gloves designed for demanding extraction jobs in oil, gas and mining industries

- **Improved durability:** EDGE[®] 48-203 heavy-duty impact-resistant gloves feature reinforcement patches in between the thumb crotch and fingertip area, which improve the longevity of the most valuable areas
- **Reduced risks:** Thanks to their back-of-hand vinyl TPR bumpers, these protective gloves significantly reduce the risk of crush, pinch and impact injuries
- **Enhanced grip:** In addition, EDGE[®] 48-203 gloves with grip have a PVC-dotted palm that provides excellent protection against impact hazards and an enhanced grip that resists oil, making it ideal for the oil and gas industry
- **Increased visibility:** These hand protection gloves come in bright yellow, which increases visibility and enhances safety in dark environments

Industries

- Oil and gas
- Machinery and Equipment
- Mining
- Construction

Applications

- Drilling / Extraction
- Garbage collection & sorting
- Infrastructure
- Production Services / Processing
- Transport & Logistics
- Heavy Equipment Servicing

Key Features

- **Reinforcement patches:** Long-lasting and durable work gloves
- **Back-of-hand vinyl TPR bumpers:** Lower risk of workplace injuries
- **Superb grip performance:** Safer handling in dry, wet or oily condition

Performance Standards & Regulatory Compliance
