

Premium-quality, easy-to-clean PVC apron, offering grease, oil and chemical splash protection

- **Specialized protection:** The AlphaTec® 54-633 protective apron is made with 7-8 mil PVC material, guarding against oil and grease, while ensuring chemical splash protection
- **Improved fit:** Thanks to its die-cut adjustable ties and head opening, this PVC apron is also easy to wear and remains comfortable
- **Assured convenience:** Its one-piece design ensures it is easy to clean and it is available in a broad range of sizes

Industries

- Food Processing
- Life Sciences

Applications

- Packing of fillets and ground meat
- Canning
- Bottling
- Storing and transportation
- Equipment maintenance and repair
- Plant disinfection and sanitization
- Transferring liquids
