

## Medium-to-Heavy Duty Splash Protection Coat Aprons with greater body coverage

- These coat aprons feature 6mil die cut with elastic cuffs for greater body coverage in a comfortable to wear weight
- Four 15 inch snap on ties provide a convenient and consistent fit on all sizes and styles
- No exposed elastic or metal parts to cause static or corrosion and no sewn seams that can trap contaminants
- Can be cleaned to Class 100 clean room standards
- Individually bagged

### Industries

- Food Processing
- Life Sciences

### Applications

- Packing of fillets and ground meat
- Canning
- Bottling
- Storing and transportation
- Equipment maintenance and repair
- Plant disinfection and sanitization
- Transferring liquids

### PRODUCT INFORMATION

#### Reliable Protection

- Wherever oil, grease and chemicals are present, Ansell coat aprons help workers keep clean and protected
- These aprons come with no exposed elastic or metal parts to cause static or corrosion and offer excellent protection where splashes from acids and caustic bases are a concern

#### Durable

- The virgin vinyl construction contains no reprocessed materials and is flexible with excellent resistance to punctures, abrasion, chemicals, fats, oils and greases
- Sleeves come with elasticized cuffs for added protection
- Snaps are plastic construction and there are no metal parts to cause static or corrosion

#### Comfort and Selection

- Four sizes with adjustable ties ensure optimal fit for a wide range of users
