

EDGE[®]

INDUSTRIAL WORK GLOVES

48-123

Light Duty multi-purpose Industrial
Gloves

Multi Purpose

Light Duty

Versatile, high dexterity protective gloves designed for dry to slightly oily environments

- **Augmented dexterity:** By combining a seamless knitted liner with an elasticized knitwrist dipped into black polyurethane coating, these high-quality gloves provide better flexibility, dexterity and durability than standard cotton canvas and thick cotton gloves
- **Improved practicality** Available in sizes 5 to 11 and featuring an overedge color code, EDGE[®] 48-123 black safety work gloves are more cost-effective, as they show less dirt and are discarded less quickly
- **Guaranteed comfort:** EDGE[®] 48-123 protective work gloves possess a seamless structure that offers good pliability, allowing a full range of movements while enhancing hand safety

Industries

- Automotive
- Automotive Aftermarket
- OEM
- Electronics
- Oil and gas
- Machinery and Equipment
- Transportation

Applications

- Assembly of small pieces
- General handling
- Packaging
- Inspection (picking, checking and marking)

Key Features

- **13-gauge polyester liner:** Flexibility, dexterity and comfort assured
- **Black exterior:** Masks dirt and grime, to ensure longer, repeated use
- **Seamless structure:** For comfortable and continuous wear safety gloves

Performance Standards & Regulatory Compliance

EN388: 2016

3121A
