Oil

Medium Duty

## Three quarter-dipped nitrile-coated work gloves, for mechanical resistance, flexibility and comfort

- **Optimized comfort and ergonomics:** With a design shaped to natural hand contours, interlock knit lining, and generous sizing, ActivArm<sup>®</sup> Hylite™ 47-400 three quarter-dipped nitrile-coated work gloves offer superb comfort
- **Advanced protection:** These industrial gloves' special nitrile formulation combines strong mechanical protection, abrasion resistance and oil repellency with high levels of flexibility
- **Enhanced durability:** They outwear cotton alternatives by a margin of 12 to 1, light leather gloves by 5 to 1 and PVC-coated gloves by 3 to 1
- **Reduced surface defect risks:** Containing no silicone, these robust ActivArm<sup>®</sup> gloves are ideal for metal sheet handling and motor manufacture, with assured cleanliness and minimal risks of contaminant transfer

### Industries

- Automotive
- Machinery and Equipment
- Metal fabrication

### Applications

- Handling metal sheets & panels
- Chassis assembly, body trimming
- Final assembly
- Inspection (picking, checking and marking)
- Cutting glasses, sheets, panels
- Fabricating metal parts, glass sheets
- Assembly & inspection of components

Previously known as: Hylite™

### Key Features

- **Contoured design with interlock knit lining:** Optimal comfort and ergonomics
- **Nitrile formulation:** Oil repellency, flexibility and abrasion resistance
- **Silicone-free design:** Clean, contaminant-free metal handling

### Performance Standards & Regulatory Compliance
