

Gastight multi-layer protective suit with integral boot*, for high-level chemical resistance.

- **Advanced protection:** The AlphaTec® 6500 Stitched & Taped - Model 809 features an innovative, lightweight twin-layer fabric (as well as an inner barrier glove and outer butyl rubber glove), for heightened chemical resistance
- **Improved visibility:** Designed in highly visible bright yellow, this full-body protection suit enhances worker and workplace safety
- **Increased comfort and ergonomics:** Thanks to its large SCBA hump, this chemical protective suit also promotes better ergonomics, resulting in greater comfort
- **Enhanced features:** In addition, it features a boot component, though it does not come with a passthrough
