

Impact

Heavy Duty

## Robust impact-resistant gloves, granting high cut and abrasion resistance with a firm grip

- **Advanced defenses:** EDGE<sup>®</sup> 48-205 cut protection gloves feature a palm made from high-performance fibers that meet ANSI A6 cut resistance standard
- **Specialized protection:** Made for heavy-duty extraction and maintenance work, these protective gloves possess back-of-hand PVC bumpers that significantly reduce the risk of crush, pinch and impact injuries
- **Enhanced grip:** EDGE<sup>®</sup> 48-205 industrial gloves afford a reliable grip thanks to the unique material used on the palm
- **Optimized visibility:** These bright yellow cut-resistant gloves ensure that hands are visible and safe in dark conditions
- **Added features:** Reinforcement patches extend the wear life of EDGE<sup>®</sup> 48-205 hand protection gloves, while their wide neoprene cuff allows easy donning and doffing

### Industries

- Machinery and Equipment
- Oil and gas
- Maintenance
- Mining

### Applications

- Drilling / Extraction
- Exploration
- Heavy-duty Maintenance
- Production/Processing
- Roughneck & Roust about tasks

### Key Features

- **High cut resistance palm:** Advanced laceration defenses
- **Back-of-hand protection:** For safety gloves with added hand protection
- **Excellent grip:** Secure handling in dry, wet and oily environments

### Performance Standards & Regulatory Compliance
