

48-305

Medium duty general purpose industrial glove

Industrial gloves offering abrasion resistance as well as a secure wet and dry grip

- Increased dexterity and flexibility: The EDGE™ 48-305 abrasion-resistant gloves are the economical choice for use in a wide range of handling and carrying applications, featuring greater durability than alternative mediumweight cotton or leather gloves
- Improved durability: These blue protective gloves are also the cost-effective solution for general, mediumweight applications requiring a good level of abrasion and tear resistance
- Optimized grip: In addition, the EDGE™ 48-305 natural latex rubber gloves ensure a secure grip in wet and dry environments
- Food handling compliance: Composed of FDAcompliant materials, these food handling gloves are also suitable for food packaging

Industries

- Automotive
- Warehousing
- Transportation

Applications

- General handling
- Packaging
- Shipping
- Street cleaning and refuse collection

48-305

Medium duty general purpose industrial glove
