

Previously known as: MICROGARD® 1800 Ts PLUS - Model 111

Lightweight, breathable full-body protection suit, featuring microporous laminate technology.

- **Specialized protection:** Made from microporous laminate material, the AlphaTec® 1800 Ts PLUS Stitched & Taped - Model 111 protects against particulates and low-hazard liquid spray*
- **Heightened breathability:** This microporous laminate fabric is permeable to air and water vapor, reducing the risk of heat stress
- **Reduced contamination risks:** As it is low-linting in nature, the risk of cross contamination in critical areas is also minimized
- **Enhanced fit and features:** An optimized fit means personal protection in optimal comfort, with stitched and taped seams enhancing this protective suit's strength further and elastics boosting wearer comfort
- **Decreased surface defect risks:** This protective outer garment's silicone-free construction also makes it appropriate for spray-painting applications
- **Assured antistatic properties:** In addition, it has been tested against EN 1149-5 and AATCC 76 standards

*this chemical-protective suit ensures CE Category III Type 4/5/6 protection

Industries

- Life Sciences
- Automotive
- Metal fabrication
- Food Processing
- Chemical
- Automotive Aftermarket
- Nuclear

Applications

- Clean room cleaning and preparing
- Body painting including surface inspection
- Production line support & maintenance
- Cleaning of plant and machines
- Maintenance of plant and machines
- Fibre Glass Resin Applications
- Handling of powders

KEY FEATURES & BENEFITS

- **Microporous laminate fabric:** Resistance to particulates and low-hazard spray
- **Air and water vapor permeability:** Reduced heat stress, increased comfort
- **Low-linting material:** Lower risk of cross contamination in critical zones

Product Information

| Product Information | |
|---------------------|--|
| Available Sizes | S, M, L, XL, 2XL, 3XL, 4XL, 5XL |
| Color | White |
| Country Of Origin | China |
| Models Available | 122, 156 |
| Packaging Overview | Individually Packed |
| Product Material | Microporous polyethylene Laminate non-woven |
| Product Reference | 1800 Ts PLUS - Model 111 |
| Standards Overview | CE CATEGORY III (Type 4-B, Type 5-B, Type 6-B, EN 1073-2, EN 14126, EN 1149-5) |
| Seam Type | Stitched and Taped |
| Shelf Life | 5 years |
| Style Number | W18T111 |
