

## 11725

Dexterity with superb cut resistance for optimal productivity

# Comfortable, dexterous medium-duty work gloves, offering users moderate cut resistance

- Assured protection: HyFlex<sup>®</sup> 11-725 medium-duty industrial gloves feature INTERCEPT<sup>™</sup> Cut Resistance Technology, ensuring wearers can handle sharp components with relative ease
- Elevated comfort: Thanks to their HPPE and Lycra<sup>®</sup> liner, they boast heightened levels of comfort and flexibility, enabling workers to maintain productivity throughout the day
- Enhanced grip: These safety gloves' PU coating also increases dexterity, while affording users a more secure grip in both dry and slightly oily environments

#### **Industries**

- Aerospace
- Automotive
- Construction
- Glass manufacturing
- Machinery and Equipment
- Maintenance
- Metal fabrication

#### **Applications**

- Assembling metal parts and components
- Assembly of white goods
- Metalwork, glass processing
- Handling sharp or irregular metal pieces
- Press injection molding
