

79 340

Reusable, flexible, food approved nitrile

Previously known as: Eco Green 398

Reusable and individually packed food grade nitrile gloves with cotton flocking

- Food handling compliance: AlphaTec[®] 79-340 nitrile gloves feature cotton flocking and are suitable for handling and processing food items
- Increased practicality: These light-duty, reusable gloves are individually packed for improved practicality and hygiene
- **Guaranteed convenience:** AlphaTec[®] 79-340 protective gloves' straight cuffs ensure an easy turn down
- Added protection: As these safety gloves are made of a nitrile compound, they are ideal for applications where natural rubber latex gloves cannot be used
- Heightened flexibility: These green hand protection gloves also grant outstanding flexibility, even in cold conditions

Industries

- Food Processing
- Janitorial / Sanitation

Applications

- Food processing and meat packing applications
- All food processing applications that have food contact
- Janitorial use
- Poultry Processing
