HyFlex™

11-801

Improved design delivers enhanced comfort in a dirt masking color

Multi Purpose | Light Duty

Industrial safety gloves with 30% greater breathability and a dirt-masking dark liner

- **Considered aesthetics:** HyFlex™ 11-801 industrial gloves' darker liner helps extend wear life by masking dirt
- **Elevated comfort:** Their nitrile foam coating also makes them 30% more breathable than comparable gloves, for less irritable daily wear
- **Enhanced grip:** The same nitrile coating enhances grip, making them ideal in dry and slightly oily environments
- **Everyday usability:** HyFlex™ 11-801 safety gloves' ZONZ™ Comfort Fit Technology relieves tension and delivers a tailored feel
- **Improved durability:** These HyFlex™ gloves also possess ANSI/ISEA and EN compliant abrasion resistance, for extended wear
- **Guaranteed skin-friendliness and cleanliness:** They are Dermatest™-approved for skin-friendliness, and benefit from an impurity-extracting proprietary washing process

Industries

- Automotive
- Metal fabrication

Applications

- Picking, fastening components
- Adjusting systems and screwing
- Loading and unloading trucks and vehicles
- Handling incoming goods
- Product shipping, transport and delivery
- Lock smith

HyFlex™

11-801

Improved design delivers enhanced comfort in a dirt masking color
