

Versatile work gloves offering excellent grip and breathable comfort

- Optimized protection: Twice as thin as standard leather with six times the cut protection, these stainless steel and Kevlar[®] gloves offer an effective protective barrier against snips, screws and sheet metal
- Improved grip: ActivArmr[®] 97-002 protective gloves are reinforced with foam nitrile coating around the palm, resulting in highly resilient grip in wet and dry environments
- Elevated comfort: Designed with breathable tactility in mind, these industrial gloves possess an ergonomic, well-insulated and dexterous design
- Enhanced features: ActivArmr[®] 97-002 safety work gloves feature an adjustable Velcro[®] cuff enclosure that helps to achieve a snug and secure fit, while keeping out dirt as well as debris for better wrist protection

Industries

- Automotive
- Food Processing
