

Multi Purpose

Light Duty

Abrasion and tear-resistant gloves, offering good grip performance and high tactility

- **Enhanced durability:** Strengthened by PU coating, EDGE[®] 48-129 safety gloves offer EN level 4 abrasion resistance, good grip, and high tactility in dry to slightly oily environments
- **Augmented dexterity:** EDGE[®] 48-129 industrial gloves are composed of a seamless knitted liner and an elasticized knitwrist dipped into grey PU coating, which afford better flexibility and dexterity than cotton canvas and thick cotton gloves
- **Improved practicality:** Made of a grey 15-gauge polyester liner, these tear-resistant work gloves offer an efficient and economical light-duty glove solution

Industries

- Automotive
- Electronics
- Oil and gas
- Machinery and Equipment
- Recycling and Waste Disposal
- Transportation

Applications

- Assembly of small pieces
- General handling
- Packaging
- Quality inspection

Key Features

- **Polyurethane coating:** Assured mechanical performance and protection
- **Seamless design:** Form-fitting flexibility, enhanced precision handling
- **15-gauge polyester liner:** For robust yet lightweight protective gloves

Performance Standards & Regulatory Compliance
