Cut

Welding

Medium Duty

## Heat-resistant protective arm sleeves, delivering thermal protection and cut resistance

- **Improved comfort:** Composed of a soft blend of cotton and Dupont™ Kevlar®, ActivArmr® 59-406 protective sleeves provide wearers genuinely lightweight, breathable everyday comfort
- **Heightened defenses:** They also offer moderate thermal protection, notably against welders' torches, while providing greater cut resistance than denim or cotton alternatives
- **Enhanced features:** ActivArmr® 59-406 protective arm sleeves also feature a 100% Kevlar® knitwrist and thumbslot, for a secure fit and added palm and wrist protection  
**CAUTION:** The elastic band on this product may contain natural rubber latex which may cause allergic reactions in some individuals.

### Industries

- Automotive
- Machinery and Equipment
- Metal fabrication

### Applications

- Press shop operations
- Handling metal sheets & panels
- Handling parts with sharp, rough edges
- Welding, bonding, riveting
- Handling structural and body components
- Inspection, selecting, checking parts
- Seizing structural and body parts
- Inspection (picking, checking and marking)
- Touching up
- Processing sheets, coils, tubes
- Cutting glasses, sheets, panels
