

## Polyethylene disposable apron, protecting wearers from chemical splashes, oils, fats, and grease

- **Specialized protection:** The AlphaTec® 56-210 die-cut polyethylene disposable apron is perfect for light-duty applications, granting wearers chemical splash protection, while withstanding oils, fats, grease, and more
- **Simplified fit:** Designed with integral material ties, this protective apron enables wearers to adjust the fit to their liking with exceptional ease
- **Assured convenience:** Thanks to the use of economical polyethylene material and easy-access dispenser bag packaging, this safety apron is both inexpensive and hassle-free

### Industries

- Food Processing
- Life Sciences

### Applications

- Packing of fillets and ground meat
- Canning
- Bottling
- Storing and transportation
- Equipment maintenance and repair
- Plant disinfection and sanitization
- Transferring liquids

### PRODUCT INFORMATION

- **Die-cut polyethylene fabric:** Flexible personal protection
- **Integral material ties:** Added convenience and adjustability
- **Inexpensive fabric:** For disposable, economical personal protection
