

## Medium-duty natural rubber latex gloves, combining strength, sensitivity and grip

- **Heightened protection and durability:** Made from natural rubber latex, AlphaTec® 87-297 medium-duty protective gloves combine high tensile strength with excellent snag, puncture and abrasion resistance
- **Enhanced grip:** These natural rubber gloves' embossed pebble finish and recessed diamond pattern on the outer surface ensure strong grip and handling over dry and wet components
- **Elevated comfort:** Thanks to their 100% cotton flocking, these safety gloves absorb sweat build-up, thereby improving wearer comfort
- **Food handling compliance:** In addition, they make ideal food safety gloves as they comply with relevant FDA food handling requirements (21 CFR 177.2600)

### Industries

- Food Processing
- Chemical
- Manufacturing
- Agriculture

### Applications

- Chemical Handling
- All food processing applications that have food contact
- Maintenance of plant and machines
- Fruit and Vegetable Processing

Previously known as: VersaTouch® 87-297

#### Key Features

- **Natural rubber latex coating:** Snag, puncture and abrasion resistance
- **Recessed diamond pattern:** Secure grip in wet or dry conditions
- **100% cotton flocking:** Sweat absorption, for greater comfort
