

Previously known as: Ansell

Cut

Medium Duty

## Durable cut-resistant protective sleeves, combining flexibility and cool-feeling comfort

- **Added protection:** HyFlex® 59-801 arm protection sleeves are made from high-density, cane-meshed heavy nylon, specially woven to provide high levels of cut resistance, while enhancing durability
- **Elevated comfort:** Their uniquely designed high-density nylon formulation also provides wearers with cool-feeling breathable comfort, for genuinely easy-to-wear personal protection
- **Enhanced features:** Thanks to their special Velcro® closure, these protective sleeves deliver additional comfort and are both easy to don and remove

### Industries

- Automotive
- Machinery and Equipment
- Food Processing

### Applications

- Handling metal sheets & panels
- Handling parts with sharp, rough edges
- Feeding the press and removing spare parts from it
- Seizing structural and body parts
- Primary cutting

Previously known as: Ansell
